

SEMINAR: HOW TO GET PUBLISHED

The four Graduate Schools at Aarhus University are hosting a joint seminar with the theme: *How to get published*. The seminar will bring together PhD students, researchers, editors and higher education professionals for a day of presentations and discussions.

There will be presentations from international editors and senior researchers who will share their advice on how to get published – both the formal and informal tricks of the trade. There will be ample opportunity to network with fellow researchers from all fields during the day.

Who will participate?

The seminar is primarily targeted at PhD students, but we welcome researchers and administrative staff as long as there are seats available. The seminar is free of charge, but registration is required.

Time:

The seminar will take place on **October 8th, 2015**. There will be two sessions: The morning session is open to all (registration is required via webshop: https://auws.au.dk/Research_seminar_-_How_to_get_published). The lunch and the afternoon sessions are only open to PhD students.

Venue:

Aarhus Institute of Advanced Studies, Auditorium.
Høegh-Guldbergs Gade 6b, bygning 1630

PROGRAMME

October 8th, 2015

09.00 - 09.10 **Welcome and introduction to the seminar**
Rector, Brian Bech Nielsen Open session

09.10 - 10.10 **Science publishing and publishing in Science**
Keynote Address:
Dr. Stella M Hurtley, Senior Editor, SCIENCE Open session

10.10 - 10.45 Coffee Break

10.45 - 12.15 **Publishing in an interdisciplinary research environment.**
Presentations and panel discussion:
- Prof. Klaus Grunert, MAPP Centre, AU Open session
- Prof. Peter Vuust, Music in the Brain
Research network, Aarhus University
- Prof. Poul Nissen, DANDRITE Research
Centre, Aarhus University

12.15 - 13.15 **Lunch and networking** PhD students
only

13.15 - 14.45 **Presentation and panel discussion from editors at Aarhus University.**
Reflections on similarities and differences across fields.
- Arts: Prof. Anders Klostergaard PhD students
- Business and Social Sciences: Prof. John only
Thøgersen and Prof. Liisa Lähteenmäki
- Health: Prof. Gregers Wegener
- Science and Technology: Prof. Klaus
Mølmer

14.45 - 15.15 **Introduction to the continuing course work for each specific graduate school** PhD students
only
