

# Reception for Expats

Aarhus University, Aarhus Festival and partners invite expats and their families to a special reception in the Festival restaurant on **Saturday 26 August from 3.00 to 5.00 p.m.**

The reception for expats is an annual tradition, attracting 500-800 people. At the reception, you can relax with your family and make friends with other expats, while enjoying some light refreshments prepared by chef Lars Kylllesbech, the founder of restaurant Mefisto in the old Latin Quarter. You will be welcomed by the Mayor of Aarhus, Jacob Bundsgaard, and Ken Cordes from Erhverv Aarhus will also say a few words.

Taking place in the heart of Aarhus, the reception is just a stone's throw from a number of other entertaining and engaging festival activities for the whole family, making the reception the perfect excuse for a day of fun.

We look forward to seeing you.

- 📍 The Festival restaurant, FO Aarhus, Vester Allé 8, 8000 Aarhus C
- 🕒 Saturday 26 August from 3.00 to 5.00 p.m.
- 💰 Free of charge.

## UNIVERSITY INTERNATIONAL CLUB (UIC)

The University International Club at Aarhus University provides a social and cultural meeting place for international staff members from PhD students to professors and their partners, guest researchers and visitors from abroad. UIC offers a comprehensive programme with weekly meetings and events, all year round such as PlayGroup, UIC Night Out, UIC Coffee Club and a Nature Club. The UIC 2017 Autumn Programme will soon be launched and offers a wide variety of events, seminars and meetings. The activities include both academic and social events. A new UIC programme is released every semester, so stay updated at [au.dk/uic](http://au.dk/uic).

## PHD AND POSTDOC ACTIVITIES AT AU

The PhD House Activity Group hosts monthly activities for AU PhD students and postdocs. The activities cover both academic and social events such as music events, games afternoons and after work meetings in and around the PhD House. Read more about current PhD and postdoc activities by joining our group on Facebook: PhD House Activity Group at Aarhus University.
