

# Expats Reception

Aarhus University, Aarhus Festival and partners invite expats and their families to a special reception in the courtyard of FO Aarhus on **Saturday 31st of August from 15.00 to 17.00.**

The reception for expats is an annual tradition, each year attracting between 500-800 people. At the reception, you can relax with your family and socialize with other expats, while enjoying some light refreshments.

You will hear a few words from the Mayor of Aarhus, Jacob Bundsgaard, John Westensee, Deputy University Director at Aarhus University and Ken Cordes, Managing Director at Emerson Climate Technologies.

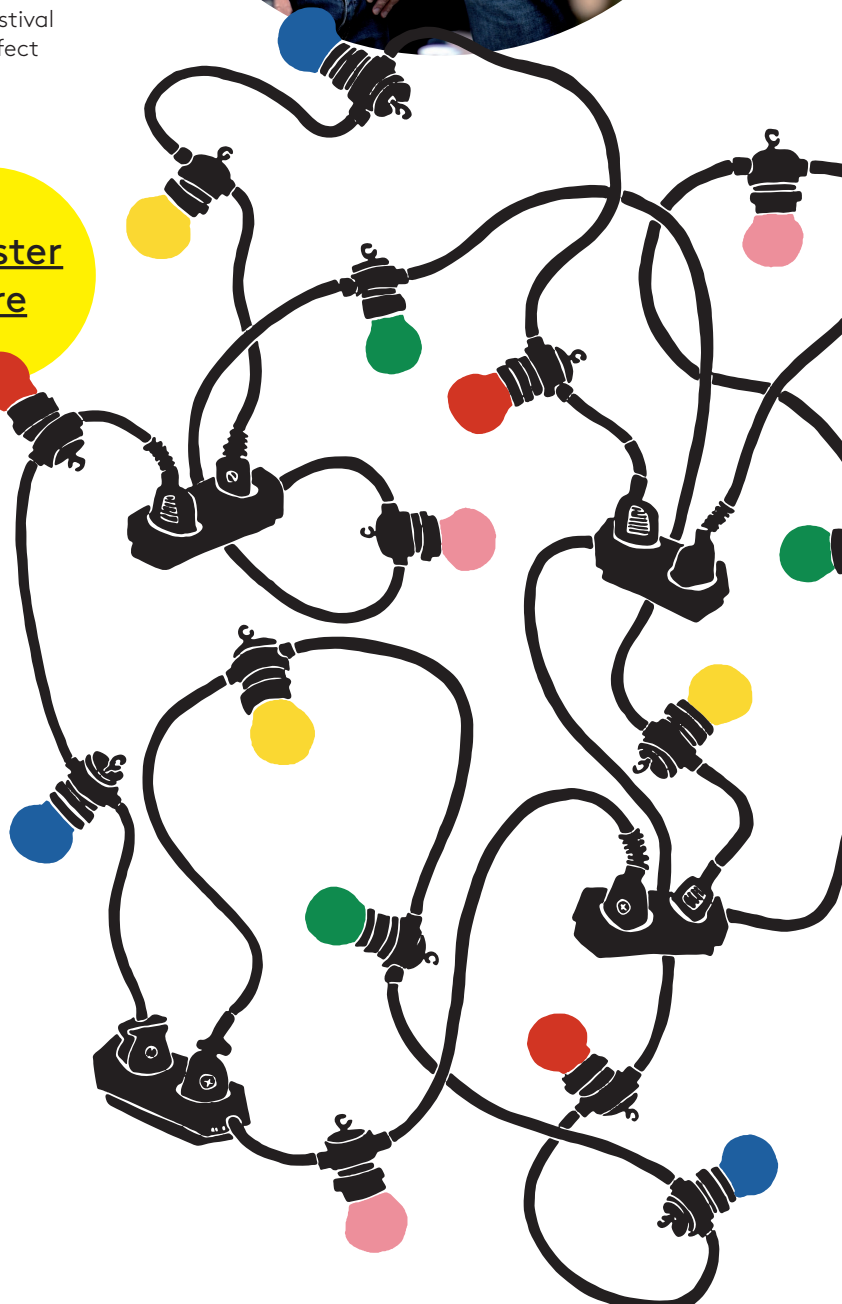

Taking place in the heart of Aarhus, the reception is just a stone's throw from a number of other entertaining and engaging festival activities for the whole family, making the reception the perfect excuse for a fun day out.

We look forward to seeing you.
