AARHUS FESTIVAL

AARHUS FESTIVAL FOR EXPATS

RECEPTION

Aarhus Festival invites expats and their families to attend an outstanding reception in the popup Festival restaurant, The Gourmet Grill on Saturday 27 August from 3 to 5pm. At the reception, you can relax with your family as well as meet other international employees from all over the world and you can enjoy the special Festival atmosphere while also indulging in delicious and mouth-watering delicacies. The delicacies are prepared by the founder of Mefisto Gourmetcafé, Lars Kylesbech, who not only is one of the best chefs in town, but also has a Michelin-star on his resume. Want to give you and your family an extra treat? Then you should try the city's best ice-cream by Manu, who comes all the way from Florence, Italy. The ice-cream is inspired by this year's Aarhus Festival theme, as it depicts a 'Beautiful Mistake'. So if you want to taste a fantastic one-of-a-kind ice-cream, then the reception is definitely the place to come. The Gourmet Grill is also a stone's throw from a bunch of entertaining and engaging activities for the whole family, making the Festival reception the perfect location for spending a day in the name of sheer family fun. The event is of course free of charge.
